

Presentation Project

English Speaking Country

Of the World

For our final project, you will give a short presentation on an English speaking country. There are 88 countries in the world where English is an official language or language of the government. In your presentation you should include information about the geography, people, and culture.

You may use written notes, power point, and handouts with your presentation. It should last approximately 5 minutes. At the end of the presentation be prepared to answer 5 questions from other students.

Map of English Speaking Countries in the World

Choose one country to present on for the final class.

Australia

New Zealand

United States of America

South Africa

United Kingdom

Canada

India

Ireland
